

Aloha,

We are pleased to provide you with information about Princeville Ranch Adventures. The company is based on scenic, historic Princeville Ranch, a 2500-acre working cattle ranch with roots that go back to 1831. PRA is operated by a fifth generation Hawai'i family, descended from the missionaries who settled Kaua'i's North Shore. PRA has exclusive access to the lush tropical streams, waterfalls and valleys at the heart of the Ranch and offers the finest in eco-tourism adventures. Our guides are well-versed in local history, culture, flora and fauna.

ZIP N' DIP EXPEDITION

This is the North Shore's only zip line and our most popular tour. The course is an exciting combination of nine picturesque zip lines and a suspension bridge spanning a waterfall. Imagine walking off the edge of a lush valley, flying over tree tops to the other side and soaking in gorgeous mountain views along the way! The final zip "King Kong" is an adventure all on its own, where you race your partner side-by-side 1,200 feet across a valley. Or try holding hands and screaming all the way!

The tour includes an hour at a fifteen-foot deep, hidden swimming hole, fed by a small waterfall. Here you'll enjoy a delicious freshly prepared picnic, swimming, jumping and floating on inner tubes. Hiking is rated moderate and is just over one mile. Not recommended for people afraid of heights. This tour lasts four and a half hours – it's the adventure of a lifetime!

ZIP EXPRESS

For true "zip-aholics", this is a zipping-only tour, with all nine zip lines (including "King Kong") and the suspension bridge (3 hours).

JUNGLE VALLEY ADVENTURE

A multi-faceted tropical adventure! Enjoy beautiful Hanalei mountain views as you approach the secluded Kalihiwai Stream. Kayak through a serene rainforest steeped in tropical sounds, scents and sights. Here guests 65 to 280 pounds have the option to ride our two magnificent, 400+ foot zip lines and connecting bridge over a pristine twin waterfall and swimming hole. Those not zipping can watch or walk down to this idyllic spot.

After zipping, you can jump, swim, float on inner tubes, enjoy a delicious picnic and relax. This heavenly private swimming hole is all yours! Kayaking is beginner-level, and total kayaking time is approximately one hour, round trip. Hiking is moderately strenuous, includes multiple stream crossings and is approximately two hours, round trip. Total tour time is approximately four and a half hours. Come meet the real Hawaii on this unique North Shore eco-tour!

KALIHIWAI FALLS HIKE

Hike the lowland rainforest, Kalihiwai Valley, to the spectacular five-tiered Kalihiwai Falls...and have it all to yourself! Swim, relax and enjoy a freshly prepared picnic. This award-winning adventure includes rough hewn stairs, many stream crossings and a ten-foot rock wall descent.
